The 2016 National Amateur
Retriever Championship Stake
A Salute To
Katharine B. Simonds

Wise ... Charming ... Logical ... Steadfast ... Knowledgeable ... Generous and 100% Committed to Preserving What Matters in Our Sport.

Kate Simonds has competed in, supported and served retriever field trials for more than 45 years. In that time she has trained, handled and titled dogs and competed at the highest levels.

Kate has made contributions in so many areas, serving in both national and local leadership roles: President of the National Amateur Retriever Club, Secretary-Treasurer of the National Amateur Retriever Club, Board Member of the Labrador Retriever Club, AKC Delegate and longtime member and officer of the

Colonial Retriever Club. And she has been on the ground as chair and judge for countless weekend events as well as judged the 1987 National Retriever Championship held in Pasco, Washington.

She and her late husband Pete have shared their passion with others, making their property available for hunting tests as well as local and national field trials. In fact, in the past 32 years, the National Amateur has been held on their magnificent grounds four times (1984, 1996, 2008 and 2016).

Most recently, as Chair of the Retriever Advisory Committee, Kate has helped to ensure our sport both changes with the times and remains true to its original charter.

It's no wonder she has been inducted into the Retriever Hall of Fame. The Retriever Community is very grateful for all you have done for our sport. Kate, we salute you.

National Amateur Championship Rotation Order

The starting dog's number is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed contestant dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four, i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Fifty-ninth Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.
