A Word from the President of the National Retriever Derby Club

On behalf of the Board of Directors, it is my great privilege and pleasure to welcome you to Sedalia, Missouri for the 9th National Derby Championship.

This event is a reality thanks to the hard of work of many dedicated people and I'd particularly like to recognize the efforts of your Chairman, Derek Smith and your Secretary, Stacy Ritchie.

From the beginning, the vision of the Founders of this event was to create a fast moving, head-to-head competition showcasing Derby dogs, with the goal of crowning a singular National Champion that would earn a recordable title – just as in other National Championships within our sport. This event also serves as an incredible opportunity to showcase some new handlers and owners in our sport and for them to experience the thrill of a National. By providing this opportunity to showcase these handlers and their incredible hard work we hope to encourage others to make qualifying and participating a priority. And if they have previously participated – we hope to encourage them to come back and give back in any meaningful way they choose.

A true highlight of this event for me is experiencing the cooperative spirit between professionals and amateurs, working side by side to promote the future of our sport. We have the dedicated support of the PRTA and a selfless amateur volunteer group, whose names you will recognize in this catalog.

I must also recognize a few in particular. The Hayden family makes their grounds and facilities available every year and we are all most grateful. My mentor and good friend John Russell, who was instrumental in the formulation of this event and offers sage advice – solicited or otherwise. My father, Al Vezey, our Traffic Chairman, has lived a life of giving back with gusto. And finally, my heartfelt gratitude to my beautiful wife, Cindy, for her patience, encouragement and unwavering support.

Now it is time to turn our attention to the event itself. We have a premier facility, an outstanding panel of judges, and an exceptional field of young dogs. All of the elements are in place for an exciting and memorable competition. I encourage you to relax, enjoy the grounds and take in the enthusiasm of these talented young teams of dogs and handlers that represent the future of our sport.

Thank you, good luck, and – Let's Light this Candle!

Russ Hardy, *2025 President*

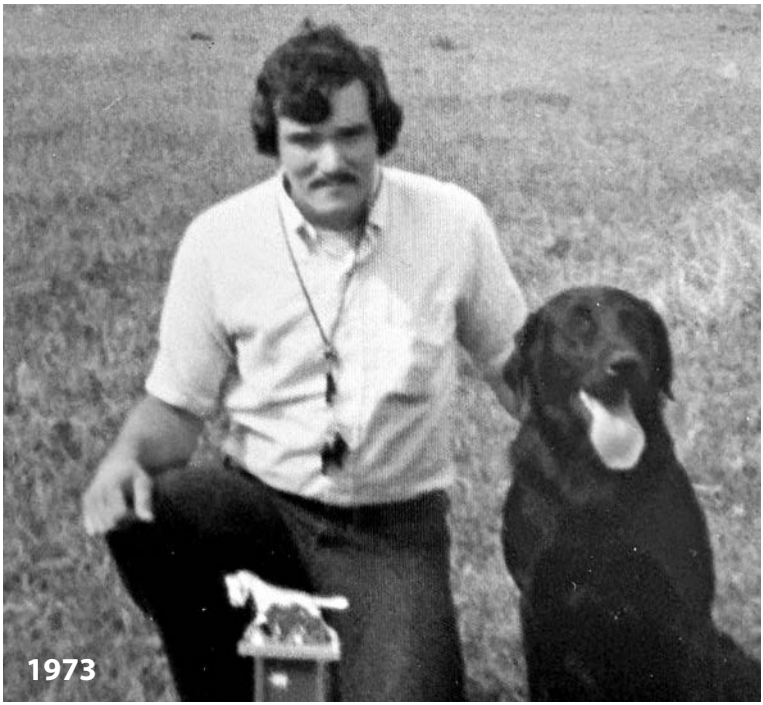
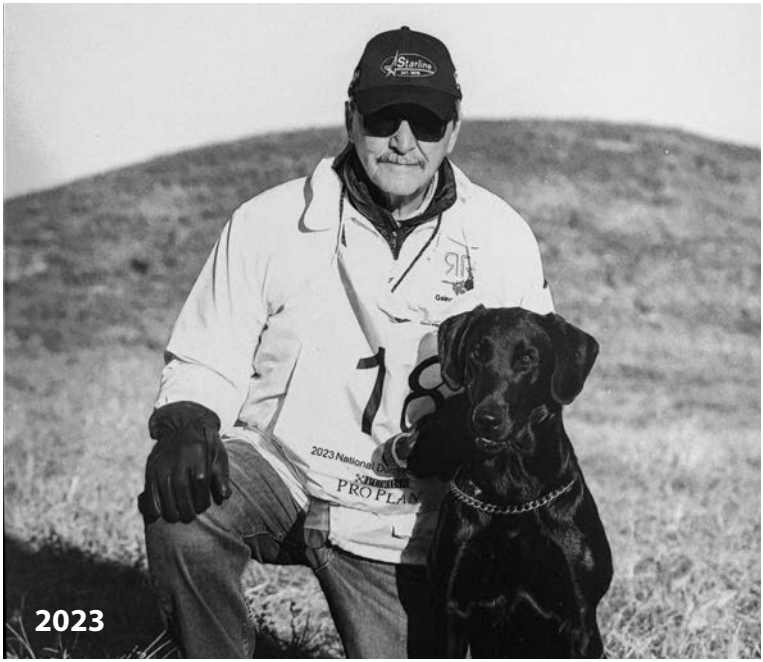
The 2025 National Retriever Derby Championship Stake *Dedicated To*

John Russell



I came to my first field trial at the age of 20. I came at the invitation of a man from the local Fish and Wildlife club that had helped to teach me to shoot and hunt ducks. He also ran sanctioned retriever field trials and just knew I would enjoy throwing birds at a field trial. He was mostly correct. I went away from that experience thinking that I could train a dog. Well, my first attempt was a classic lesson in humility. My second attempt was a better experience. I received an 8-week-old puppy, as a gift, from Pete & Kate Simonds. He was a pretty good dog.

That experience was key to my future. From then until this day, Pete & Kate Simonds mentored me in all things field trials, mostly about the rewards and disappointments, however, they emphasized the obligations to the sport that accompanied it all. In 1982 I met Martha, in 1984 we were married. The team was complete. She became my



coach, tactician and spiritual advisor. The next 40 years were action packed. We had wonderful friends and advisors. We were blessed with some truly amazing dogs and friends.

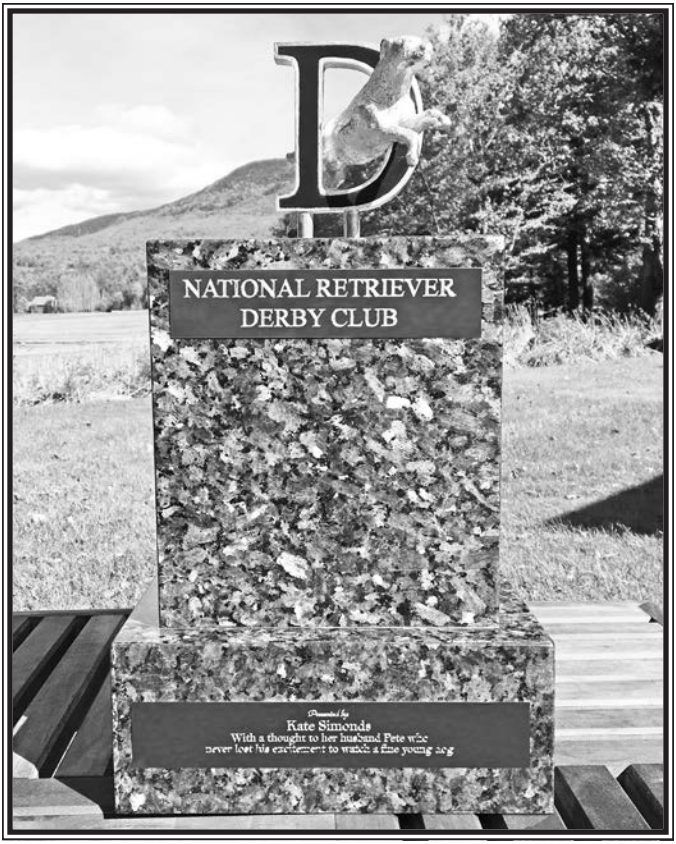
I believe that I have accomplished all that I could have hoped for on the field and at the conference table.

The whole involvement with AKC has been something that I did not anticipate but has certainly made my K9 life complete.

I have been fortunate to have accomplished the things that I have, along with Martha, however, I believe the most rewarding has been my involvement with the establishment of this event. The formulation committee was manned by some of the best minds in our sport today and I was honored to be with them. Doug Ljungren, Executive V.P. of events for the AKC, was incredibly supportive in the pursuit of this event. Without Doug the great mosaic could not have been pieced together.

Please indulge me and allow me to express my appreciation to and for Martha one more time.

Good luck to you all.



We are very fortunate to have a friend in our sport like Kate Simonds. Her love for and dedication to our sport continues to surface throughout the full breadth of retriever field trials. Kate has presented to the National Retriever Derby Club a truly unique trophy to be awarded to the winner for their possession and proper stewardship until the following year's competition. At that time, the next National Derby Champion will accept custody for the subsequent year. And so, a new tradition is underway.

Now on to the trophy itself. This trophy is comprised of the traditional look of a solid sterling silver, sculpted, retriever jumping through the "D." The two-tiered base is a granite finish, which is a new look. Together the presentation is a blending of new and tradition, much like the event itself.

The retriever was sculpted by Carol Bunyon of Stowe, VT and Brays Island, SC. The entire trophy was designed and constructed by Ferro Jewelers of New York and Stowe, VT.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please silence cell phone use, refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Retriever Derby Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Ninth Annual National Derby Championship Trial. It is conducted by the National Retriever Derby Club, Inc., under license from the American Kennel Club, Inc.

Qualification for the 2025 NRDC Championship will be three or more Derby points, as recorded by Entry Express and verified by Retriever News. (5 points for 1st place, 3 points for 2nd place, 2 points for 3rd place and 1 point for 4th place.) The qualification period is recorded as all Derby points earned while under age two, which qualify for the Retriever News National Derby List. Any dog under age two on the start date of the first series of the event with the requisite verified three points for 2025 may enter the event.

The Championship event will be managed such that we are completing the trial within five days in ten series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation:

"National Derby Champion of 2025."

Awards

- Standard A.K.C. Rosette To Winner
- Standard A.K.C. Rosettes To All Finalists
- Keepsake Derby Trophy – An Award of the National Retriever Derby Club
- The National Derby Trophy – An Award of the National Retriever Derby Club, to remain in the Winner's possession until the running of the National Derby Championship Stake the following year
- A Club Pin to Each Contestant

Notes

National Derby Championship
Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of four (4). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 20 starts a 75-dog trial. The rotational division would be;

75 divided by 4 = 19 dogs in the rotation where the rotation would be

Example: 75			*Actual (#)* _____
Dogs Entered / 4 = 19:			*Dogs Entered / 4 =* _____
1st	– 20		1st – _____
2nd	– 39	(= 20+19)	2nd – _____
3rd	– 58	(= 39+19)	3rd – _____
4th	– 2	(= 58+19)	4th – _____

Following the fourth rotation, the rotation returns to the starting dog of the trial (20), excluding that dog, and beginning with dog 21, or the first working dog after 21, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.
