A Few Words from the President of the National Amateur Retriever Club

Congratulations to all the dogs and handlers that qualified for the 69th running of the NARC! On behalf of the National Amateur Retriever Club, I would like to welcome you to our small farming community. The area offers many local wineries, and is near both the Cascade Mountains and the Oregon Coast.

We are honored to host this prestigious event and would like to thank all our landowners, *(when you see them working, please give them a personal thank you for allowing us to use their property)* workers, clubs, judges and sponsors who all make this event possible.

I want to also thank all the volunteers for the countless hours of preparation that has gone into making this event possible. I want to sincerely thank everyone involved for your time, energy and commitment. I would encourage everyone to get involved at some level with National events, as this is our showcase. This will be important for future National events both in our area and other time zones.

I would like to extend a special thank you to Mike Griffin, this year's Chairman. He has brought many innovative ideas and a high level of professionalism and attention to detail to this event. His dedication is evident in every aspect of both the National and local trials. His commitment has contributed greatly to their success. I am very grateful for his hard work, leadership and continued support. Please thank him for all he does.

In closing, I wish the best to all the contestants and look forward to watching the best dogs in the nation compete for the highest honor. Have fun, enjoy the week, and most of all, cherish these moments because they will be your memories.

Best of Luck to All!

Sonya Harrigfeld-Jackson, *2026 President*

The 2026 National Amateur Retriever Championship Stake
Dedicated To
Julie Cole

This field trial is proudly dedicated to Julie Cole who has served our sport, our dogs, and fellow "trialers" with dedication, compassion, hard work and integrity for over 45 years. Chesapeakes "brought her to the dance" and remain her heart breed. The American Chesapeake Club has recognized her achievements by awarding her their Lifetime Achievement Award and the AKC Good Sportsman Award.

As a past Judge of all three Nationals (NRC, NARC, NDC) and past NRC President, Chair or member of too many committees to

list, she has given her time and knowledge freely to the benefit of the Field Trial sport.

Julie is also one of the most supportive members of the Northern California Field Trial circuit. She is always willing to work in many different capacities to ensure trials are well run and successful.

She has chaired the ACC All Breed for more than 30 years and works every Nor Cal event.

Julie is always THERE!

Julie embodies the true definition of the all around Field Trial enthusiast ... an intense competitor, a great sportswoman, all while giving full support to her fellow competitors.

Under it all is her love for her dogs, Chesapeakes and Labradors alike. Julie is thankful that she is able to give so much to the Field Trial game with the full support of her wonderful family.

The 2026 National Amateur Retriever Championship Stake
Dedicated To
Chester and Charlene *(Charlie)* Koeth

This field trial is proudly dedicated to Chester and Charlene Koeth, whose enduring presence at the Nationals has spanned more than two decades. As competitors, committee chairs, and respected judges, their contributions have helped shape the very fabric of our sport.

Chester brought his expertise to the national stage as a Judge of the NRC in 2010 and the NARC in 2021, while Charlene served as a Judge for the NARC in 2017. Beyond these honors, their influence

has been felt year after year through their unwavering commitment, earning the deep respect of the field trial community.

Beyond the national stage, their impact in Southern California has been nothing short of extraordinary. Through their leadership as club presidents, and their tireless work chairing, marshalling, and serving as secretary for multiple clubs, they have, in many ways, carried and sustained the local trial circuit.

Their dedication, generosity, and love for the sport have left a lasting mark on all who participate. It is with deep appreciation and respect that we dedicate this trial to Chester and Charlene Koeth.

National Amateur Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of five (5). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 25 starts a 115 dog trial. The rotational division would be 115 dogs divided by 5 which equals 23 dogs in the rotation where the rotation would be determined as follows:

Example: 115			*Actual (#)* _____
Dogs Entered / 5 = 23:			*Dogs Entered / 5 =* _____
1st	– 25		1st – _____
2nd	– 48	(= 25+23)	2nd – _____
3rd	– 71	(= 48+23)	3rd – _____
4th	– 94	(= 71+23)	4th – _____
5th	– 2	(= 94+23)	5th – _____

Following the fifth rotation, the rotation returns to the starting dog of the trial (25), excluding that dog, and beginning with dog 26, or the first working dog after 26, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the sixth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or on water, please refrain from loud talking or other noises, also from unnecessary motions; all could be distracting and could seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test and is leaving the line.
4. Please co-operate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED
