The 2015 National Amateur Retriever Championship Stake
Dedicated To
Eugene "Swede" Anderson

Dedicated. Respected. Experienced. Tough. Determined ... A Real Gentleman.

These are heartfelt words from people who love the retriever game, about a man who is loved by the retriever community. That man is Eugene "Swede" Anderson, and this 2015 National Amateur Championship Stake is dedicated to Swede.

For 50 years, Swede has given his all as a competitor, judge, officer, organizer, mentor and gunner extraordinaire. A Retriever Hall of Famer, Swede is admired as much by his good deeds and dedication, as he is for his good dogs.

Dennis Bath writes: *"Swede Anderson is what the retriever game is all about. He loves the dogs, the trials and the people. He is a friend to all of us."*

Brad Clow: *"The entire Field Trial community needs to be forever grateful to the contributions Swede has given. To dedicate the 2015 NARC to Swede is only fitting."*

John Goettl: *"Swede has been a driving force in the field trial world for the past half century. He has judged approximately 80 stakes, including the 1981 National Championship and the 1988 National Amateur Championship. He started his retriever legend with an Irish water spaniel!"*

Missy Goettl: *"Swede has always been a gentleman, a wonderful dancer, appreciative of the gun mothers and hostess committee efforts (going so far as to sending a dozen pink roses on HIS wedding anniversary). Thanks to Marilyn always sharing Swede with us during the NARC!*

Tom Vaughn: *"He always has a sparkle in his eye and his smile greets everyone. His dedication to our dogs and game is legendary."*

Ron Foley: *"What I admire is Swede's unselfish commitment. It's not about "I" or "me" – Swede compliments others for success and efforts. The object of the game in Swede's mind is to have fun with our wonderful retrievers."*

Richard Smith: *"Hat's off to a very deserving person. In addition to his decades of acquired knowledge in all areas of the game, he's been a Gunner at 60+ Nationals."*

Dean Reinke: *"One of a kind. The guy everybody wants on their team. We're honored to have Swede on our team."*

Bob West: *"Every dog sport needs a Swede. He still owes me and Keith a duck hunt."*

Still gunning at 85, we salute Swede and dedicate this National Amateur in his honor.

A Word from the President of the National Amateur Retriever Club

On behalf of the National Amateur Retriever Club, the field trial giving clubs of the Mountain Time Zone and as a Montana native, I welcome you and extend to each of you a warm and friendly Montana, ***"Howdy."*** As you will soon see there are lots of bumper stickers adorning the back of pickup trucks proclaiming Montana to be the last great place and the Mission Valley is no exception. The clubs of the Mountain Time Zone are proud to sponsor the 58th running of the National Amateur Championship Stake.

Untold hours of planning, coordination and communication have taken place since we left the Polson/Ronan area in 2011. We want to thank the businesses, landowners and the people of the Mission Valley for their boundless and continuing support. A huge thanks goes out to the many volunteers who have contributed their time, talent and efforts to make this National happen. Eight years ago, my predecessor, Brad Clow, had the vision to bring the National Amateur event to the Mission Valley. He spent hundreds and hundreds of hours in planning to make the 2011 National happen. As many of you know, the Ronan area has become a center of excellence in the retriever training world. As you will soon experience, there are first class training facilities with spectacular views of the Mission Mountains.

Mission Valley professionals and amateurs contribute a substantial amount of their time to working and the running of field trials in the Valley.

We are most grateful for the continued support from our Corporate Sponsors as their donations of products and services and significant contributions of financial support enable us to produce quality National Amateur events. The generous donations of products and services, both locally and nationally, from individuals and businesses make it possible for everyone to enjoy the banquet and auctions.

A word of caution to everyone, Montana just experienced a very dry winter and the fire danger is extremely high. We ask you not to smoke outside of your vehicles. As a courtesy to residents of the Valley, please slow down when driving on dirt roads. Defensive driving is a smart and safe approach while driving around the Valley.

Finally, we wish every handler the best of luck and thank them for their participation and, most especially, for sharing their four-legged champions. Be sure to enjoy Montana, the great moments, the hospitality, the competition and camaraderie. Be sure to take time to visit Glacier National Park and, if you have time, go to Whitefish for lunch. *Best of Luck!*

National Amateur Championship Rotation Order

The starting dog's number is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed contestant dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four, i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Fifty-eighth Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified when handled by an amateur and won a first place carrying five championship points, plus two additional championship points, in Open, Limited All-Age, Special All-Age, Restricted All-Age, Amateur All-Age, Owner-Handler Amateur All-Age, Specialty or breed trials licensed by the American Kennel Club which were run during the weekend immediately following the 2014 National Amateur Retriever Championship Trial through the weekend immediately prior to the 2015 National Amateur Retriever Club Championship Trial. Dogs may also qualify by rule, see Section 5.05 of the By-Laws of the National Amateur Retriever Club, Inc. as revised June 14, 2008 and June 19, 2010.

National Amateur Retriever Championship Stakes include at least ten tests or series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation, *"National Amateur Retriever Champion of 2015."*
