The 2019 National Retriever Championship Stake *Dedicated To* **Gary Ahlgren**

Gary and FC-AFC Gypsy Rose XII

Gary Ahlgren has long been the *go-to guy* on the West Coast. He has judged, shot, marshaled, threw birds, did grounds work, hosted judges, loaned the club his cars, trucks and quad runners, has cooked dinners and provided transportation. Gary literally can and has done it all.

"Service to the Sport" is what Gary does. He started out in North Dakota serving as President for the North Dakota Retriever Club. He was a founding member of the Minnesota Mafia. He was President, Vice President and served on the boards almost continually for the past 30 years for several Retriever Clubs in California. If something needs done, Gary is always willing to step up and help. Gary has judged at least 100 weekend trials starting in 1968.

The National Clubs have benefitted from his generosity as well. He has judged three Nationals: St. Louis, Missouri in 1990 for the National Retriever Club and Virginia, Minnesota in 2001 for the National Amateur Retriever Club and Vicksburg, Mississippi in 2014 for the National Retriever Club. He has gone through the chairs of the National Retriever Club twice, and once, for the National Amateur Club. He has served as the chair, head marshal and chair of many committees for the West Coast Nationals.

Gary Ahlgren is from Minnesota. He graduated from North Dakota State University with Bachelor of Arts and a master degree in Social Science. He played football for North Dakota State as a tail back and was all-conference as well as High Scorer. He went on to be a schoolteacher, wrestling and football coach. He taught and coached for 19 years at Dilworth High School. He retired from coaching and teaching to become a professional dog trainer. He was a professional dog trainer for 3 years. He moved to California, gave up his professional status and married Mary Williams. He also owned and operated his own very successful business.

Gary is a fierce competitor and has a true love of our dog sport and his dogs. The Ahlgren's have titled over 15 dogs. He won a double header in 2006 and took a nice cool swim in the Truckee River. The Ahlgren's have qualified for and run numerous Nationals. Gary is a dedicated amateur trainer. He has always been the first one on the field and the last to come in. He is willing to offer his assistance any time it is needed. His passion and dedication to the retriever sport is overwhelming.

A big personality, a quick and easy laugh, and words of wisdom surround Gary. He is outspoken and he can capture any party or get together with his stories. We are fortunate to have him, and it is our pleasure to give Gary this well-deserved recognition.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or at the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Non-competing dogs are not allowed on the field trial grounds.
5. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
6. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean – Extinguish cigarettes and matches.

YOUR COOPERATION IS APPRECIATED

This is the Seventy Eighth Annual National Retriever Championship Trial. It is conducted by the National Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified in one or more of five ways and are limited to the following:

1. The winner of the 2018 National Championship Stake;
2. The winner of the 2019 National Amateur Championship Stake (must be handled by an Amateur in this Stake);
3. The winner of the 2019 Canadian National Championship Stake;
4. The winner of the 2019 Canadian National Amateur Championship Stake (must be handled by an Amateur in this Stake);
5. Winners of a first place, carrying five championship points, plus two additional championship points in Open, Limited, or Special All-Age Stakes in trials held within the year preceding the National Championship Stake, which are staged by members of the National Retriever Club, Inc., which are also members of, or Licensed by, the American Kennel Club.

National Championship Stakes must include at least ten tests or "series," equally divided between those on land and those on water.

At this trial, the judges will place only the winning dog, which is thereby entitled to the official designation, "National Retriever Champion of 2019."

National Retriever Championship Rotation Procedure

The starting dog is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

Prizes
to the Winner only

- Standard AKC Rosette: *National Retriever Field Champion of 2019*
- Gold Club Pin – National Retriever Club, Incorporated
- The Championship Trophy – An Award of the National Retriever Club to the owner of the winner
- The Challenge Trophy – An Award of the National Retriever Club, to remain in the possession of the owner of the winner until the running of the National Championship Stake the following year
- The Challenge Trophy – An Award of the National Retriever Club to the handler of the winner, if a professional, to remain in the possession of the handler of the winner until the next winner of a National Championship Stake is handled by a professional. The handler also receives a replica of this trophy.

In 1991, the PRTA adopted the following set of ethical guidelines for training during the National Championship. Our members pledge to abide by them and we ask all contestants to voluntarily join us in this effort to promote good sportsmanship and fair competition.

Guidelines For Ethical Training at Nationals

The object of the National is to bring out the best performance.
TO FURTHER THIS END:

1. As much training may be done each day as required **BEFORE** entering the trials grounds or **AFTER** running a test. **NO TRAINING** may be done after observing a test until after you have run.
2. Train with as many people as required, excluding any person who has been to the trial and observed the test in progress.
3. Train on designated areas or ask permission on private property.
4. Keep corrections away from the public eye and ear.
5. Dispose of birds in a manner that will not affect public perception, or disrupt another training group.

It is our belief that once a test is viewed, any training which follows will be tainted and distorted by the viewing. Whether training alone or with a group, the viewing of the test will be reflected in what is done and how it is done. This influence is inevitable. Even if only the mannerisms of the handlers are influenced the test will be reflected. It will be reflected in the number of retrieves and whether the retrieves are short or long. It will be reflected in whether the retrieves are across the ditch, along the ditch, up the hill or down the hill, into the wind, crosswind, or downwind. Whether they be marks or blinds, whether "pattern work" sets up a mark or a blind, short or long, the test will be reflected. It may be reflected in so little as voice tone.

Any training done before actual viewing of the test is guesswork. Any training done after viewing is unfair advantage. This advantage is true even if the test is carried into the next day. When a test is carried to the next day the competitors have had the advantage of observing (or training prior to arriving at the trial) all the previous day's work. Often there is also the advantage of partial callbacks. Any "disadvantage" of running the following day is outweighed by the advantage of knowing what the other dogs have done. Training overnight is an unfair advantage to late competitors.

Rotation is the means of neutralizing the draw. By and large it does a good job. Dogs which run early in one test will run late in the next test. Sometimes running early is best, sometimes late is best. One thing for sure, once you've seen the test, any training done is not fair competition.

The future of our great sport depends upon the ethical guidelines which we place upon ourselves. In the final analysis we are only competing against ourselves. We're only winning or losing according to how we conduct ourselves.

When training at any time, caution should be taken to keep the image of field trials at a high level. Ask permission to train on private grounds. Keep corrections away from the public eye and ear and dispose of birds properly.

The object of the National is to bring out the best performance. The best performance involves every aspect of preparation and every part of ourselves. *The winner is within.*

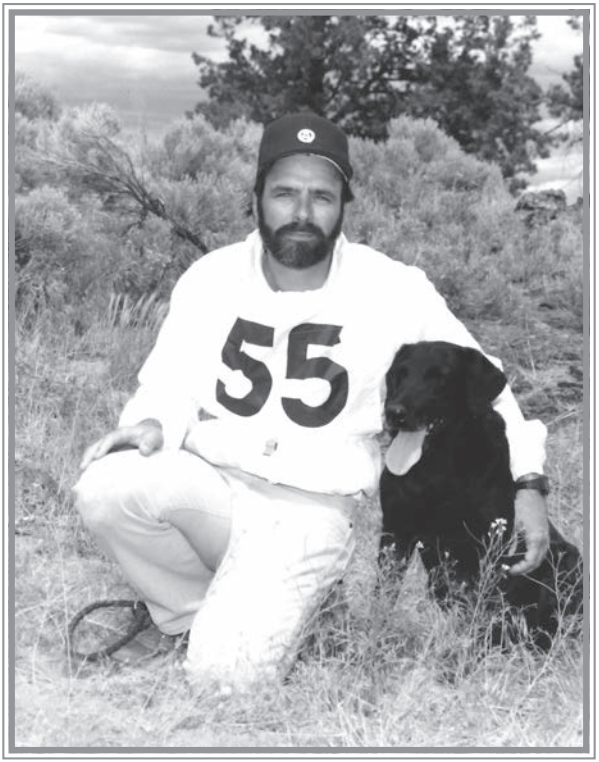
The 2019 National Retriever Championship Stake

In Memory Of

Cal Cadmus



Cal and NAFC-FC Winsom Cargo

Competitor, Veterinarian, but most of all a Friend.
Cal's wisdom, kindness, generosity and caring touched so many ...
whether 2-legged or 4-legged.
So many stories to be told as we keep Cal near and dear
to our hearts – and he always loved a great story!
We will sorely miss you, Our Friend.

HUNT FOR DUCKS, NOT FOR YOUR DOG.
