A Few Words from the President of the National Amateur Retriever Club

I want to welcome all of this year's contestants, volunteers and sponsors to this year's 64th Annual National Amateur Retriever Championship being held for the third time in Roseburg, Oregon. While hosting this event in my home town has been a privilege and an honor, we have plans in four years to move the event to Eugene Oregon. I think we are all ready to compete on new grounds and enjoy the hospitality of the Eugene area. With that being said the entire volunteer staff has been working tirelessly to get ready for this year's event.

Our local community businesses and landowners have stepped up once again to offer support and I am grateful for all their help. As always our Corporate sponsors have been instrumental in providing the products and financial resources required and I encourage everyone to let them know how much we appreciate it.

I also want to thank all of the volunteer staff many of whom have been donating their time and expertise for decades. Only after being involved at the National level did I come to appreciate what a huge undertaking putting on this event requires. I encourage everyone to get involved at any level as we need new people to assume responsibility to ensure we can continue to hold our events into the future.

I want to give a special note of appreciation to this year's event Chair, Sonya Harrigfeld-Jackson, who has been working nonstop to organize this year's event. Sonya has made my job easy along with all the other Committee Chairs who have stepped up to help put on this year's event.

In closing I want to wish the best to all of this year's contestants as it is a privilege to watch the best dogs in the Nation compete in my home town. At the end of the week we will have another NARC Champion crowned and I hope everyone enjoys the experience of competing at a National level.

Let the games begin and remember to have fun!

*Andy Kahn 2022 President
National Amateur Retriever Club*

The 2022 National Amateur
Retriever Championship Stake
Dedicated To
GARY AHLGREN

The Retriever community has lost a valued member. Our sport has benefited from the hard work, organization and service to many clubs from Gary Ahlgren.

Gary was a great friend and mentor to many. He was always willing to share his knowledge and opinion about the Field Trial game. He was an excellent cook and served up many barbecued tri-tips and brats. His competitive and lovable spirit will be missed. His legacy will live on in our hearts and we will always remember his wit and humor.

Among his many Achievements:

- Inducted into the Retriever Hall of Fame
- Double Header Winner
- National Judge 3 times
- National Open and Amateur Club President

The 2022 National Amateur
Retriever Championship Stake
Dedicated To
PAT NICHOLLS

Pat Nicholls was an avid competitor with his dogs. His dogs were titled and always competitive. He loved training and competing with them. He thoroughly enjoyed helping everyone train their own dogs. His quick grin and eagerness to watch his dogs was a trademark. Pat was also an excellent shot, throwing and gunning at many trials.

He was also an excellent judge and enjoyed mentoring new judges. He judged a National and as well as qualifying and working at many Nationals. Pat was funny, fun and no stranger to hard work. He was also the first person to be called when something broke down. We will all miss his smile, energy and enthusiasm.

Thank you, Pat, for the light you brought to our Sport.

The 2022 National Amateur
Retriever Championship Stake
Dedicated To
BROOK VAN DE BRAKE

Brooke Van de Brake or as most of us knew him – Brookie – grew up a competitive basketball player, this competitiveness carried him through all walks of his life. He was an avid hunter, and began training dogs with Bert Carlson in the early 1970's. In the late 1970's, Brookie began competing in Field Trials. As competitive as Brookie was, he loved nothing more than giving back to his friends and clients. He was a wonderful teacher, no matter what questions were asked. Then again, that's what he graduated with, a degree in teaching.

He had the upmost respect for all the dogs he trained, he just loved watching them learn. Brookie never turned anyone down when they wanted to come train, he was at his happiest working with both the dogs and people. Brookie loved standing behind someone and their dog, helping them to become a better handler and a better trainer. Brookie admired nothing more than the hardworking amateur who made the time to train and compete with their dogs.

You'd often find him sitting at the top pond of Conway Kennels airing a dog and pondering his day ... I'm sure he's shooting every dog another flyer up there in the sky. Here's to you, Brookie.

The 2022 National Amateur
Retriever Championship Stake
Dedicated To
JACK VOLLSTEDT

Jack's knowledge of our Retriever field trial sport and love for his dogs was remarkable. Jack loved to teach and he was generous with his time for anyone who had the desire to learn. Jack shared his training grounds in Oregon and California with pros, amateurs, clubs, and field trials. He worked and judged many field trials including a National.

Jack earned 1,013 All-Age Points with his dogs, won 6 Double Headers, and was a National Finalist 19 times. Jack won an All-Age field trial 7 times with his dog being 2 years old or younger. Jack was a member of five Retriever Clubs and dedicated over 48 years to field trials. Jack was an entrepreneur building office and medical buildings, a Red Angus cattle and hay rancher, an avid golfer, thoroughbred horse trainer, JV basketball coach, bass fisherman, and an enthusiastic Oregon Ducks sports fan.

Perhaps Jack's most celebrated dog was FC-AFC Volwood's Mollie with 261 All-Age points, was a National Finalist 5 times, and won 2 Double Headers. Mollie is a RHOF Inductee and was the 1999 High Point Amateur Dog – and there were many others. Jack is now with them all ... training every day.

Notes

National Amateur Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of five (5). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 25 starts a 115 dog trial. The rotational division would be 115 dogs divided by 5 which equals 23 dogs in the rotation where the rotation would be determined as follows:

Example: 115

Dogs Entered / 5 = 23:

1st - 25
2nd - 48 (= 25+23)
3rd - 71 (= 48+23)
4th - 94 (= 71+23)
5th - 2 (= 94+23)

Actual (#) _____

Dogs Entered / 5 = _____

1st - _____
2nd - _____
3rd - _____
4th - _____
5th - _____

Following the fifth rotation, the rotation returns to the starting dog of the trial (25), excluding that dog, and beginning with dog 26, or the first working dog after 26, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the sixth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Notes

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or on water, please refrain from loud talking or other noises, also from unnecessary motions; all could be distracting and could seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test and is leaving the line.
4. Please co-operate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Sixty-Fourth Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified when handled by an amateur and won a first place carrying five championship points, plus two additional championship points, in Open, Limited All-Age, Special All-Age, Restricted All-Age, Amateur All-Age, Owner-Handler Amateur All-Age, Specialty or breed trials licensed by the American Kennel Club which were run during the weekend immediately following the 2021 National Amateur Retriever Championship Trial through the weekend immediately prior to the 2022 National Amateur Retriever Club Championship Trial. Dogs may also qualify by rule, see Section 5.05 of the By-Laws of the National Amateur Retriever Club, Inc. as revised June 14, 2008 and June 19, 2010.

National Amateur Retriever Championship Stakes include at least ten tests or series equally divided between those on land and those on water.

The logo for 'retrieverNEWS Callbacks' features a stylized black silhouette of a dog, likely a retriever, facing right. To the left of the dog are three circular icons: a globe, a speech bubble, and a smartphone. Below these icons, the word 'retriever' is written in a lowercase serif font, 'NEWS' in a bold uppercase sans-serif font, and 'Callbacks' in a large, elegant cursive script.
