## **A Message from the President of the National Retriever Club**

On the behalf of the National Retriever Club Board, the city of Giddings and the State of Texas, we welcome you to the 84th running of the National Retriever Championship. The city of Giddings has become quite the destination point for our area of the country and we will be using approximately 1,000 acres of its grounds, some of the best in the area.

As we have given the Judges the advantage with all the areas they have to choose from, you will have your work cut out for you. But, by your presence, you have demonstrated that many of you will be up to the task. How fortunate that you and your dog are here and not one of those that just needed that last point.

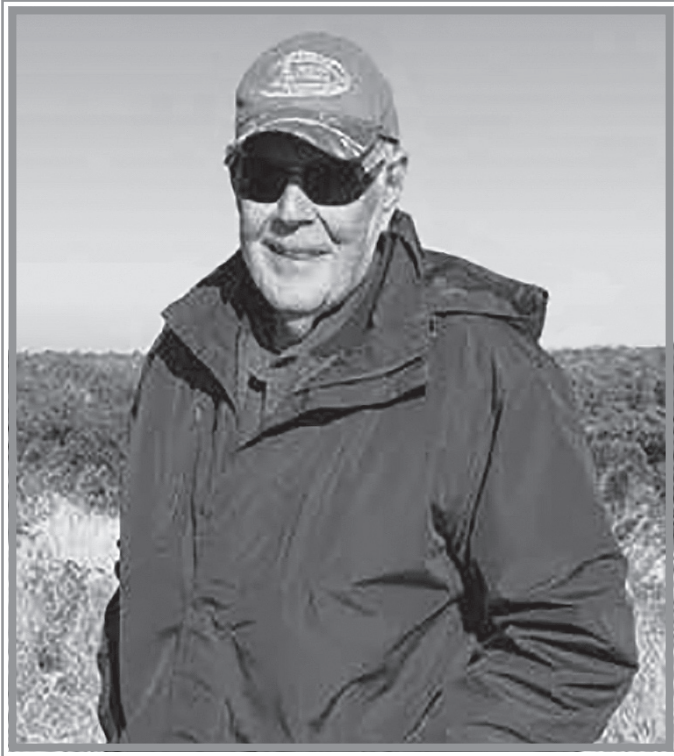

We have so many to thank for making this National possible. Our sponsors, without whom there would be no National, are at the top of the list. Our landowners as well as the city of Giddings are a close second. The workers who come from near and far to provide all the people power and effort to make this happen deserve our respect and admiration. We thank you all.

Please pay note to the advertisers in the training guide and support their businesses as much as possible. When you pass our sponsors at the event maybe even give them a hug. They provide so much to the sport.

Most of all, have a great time competing, socializing and shoot – you might go out and win this thing. The board will be pulling for each of you and hope you have a special time here with us.

John Caire

Championship Stake  
*Dedicated to*  
**MIKE KAMMERER**

Michael Kammerer began his retriever field trial adventure in 1988 not realizing that the journey would last 36 years and counting.

Mike was a founding member of the Bluebonnet Retriever Club – one of the older clubs in Texas still active. He has been active on both the local and National level in field trials for many years and has served in every capacity in the National Retriever Championship in the West Central Time Zone beginning as Chairman of the Marshal's Committee in 2000 at the National Championship Stake in Ardmore, Oklahoma.

Mike developed Red Bird Meadows Farm in Montgomery, Texas as a premier retriever training and field trial facility, hosting the National Championship Stake in 2004, 2008 and 2012. Mike also served as an officer of The National Retriever Club.

***As an owner and competitor, he has owned and handled:***

- FC-AFC H And J's Little Chance
- FC-AFC Trumarc's Mackie Max
- FC-AFC Trumarc's Runnin Rebel  
*(won 5 opens in a row & a National Finalist)*
- FC-AFC Vinwood's Don't Look Ethel
- FC-AFC Trumarc's Pudgie Mac
- FC Rolling Thunder XIX
- FC Red Bird's Winsome Blue
- FC Vinwood's Mad Dog Mattis
- FC Vinwood's Charlie

Mike has been a great friend and supporter of retriever field trials in Texas for many years. And so it is with great pleasure that we dedicate the 2024 National Retriever Championship to Michael Kammerer.

## **Field Trial Etiquette**

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or at the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Non-competing dogs are not allowed on the field trial grounds.
5. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
6. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean – Extinguish cigarettes and matches.

## **YOUR COOPERATION IS APPRECIATED**

This is the Eighty-fourth Annual National Retriever Championship Trial. It is conducted by the National Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified in one or more of five ways and are limited to the following:

1. The winner of the 2023 National Championship Stake;
2. The winner of the 2024 National Amateur Championship Stake (must be handled by an Amateur in this Stake);
3. The winner(s) of the 2024 Canadian National Championship Stake;
4. Winners of a first place, carrying five championship points, plus two additional championship points in Open, Limited, or Special All-Age Stakes in trials held within the year preceding the National Championship Stake, which are staged by members of the National Retriever Club, Inc., which are also members of, or Licensed by, the American Kennel Club.

National Championship Stakes must include at least ten tests or “series,” equally divided between those on land and those on water.

At this trial, the judges will place only the winning dog, which is thereby entitled to the official designation,

*“National Retriever Champion of 2024.”*

## **National Retriever Championship Rotation Procedure**

The starting dog is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

### **Prizes to the Winner only**

- Standard AKC Rosette: *National Retriever Field Champion of 2024*
- Gold Club Pin – National Retriever Club, Incorporated
- The Championship Trophy – An Award of the National Retriever Club to the owner of the winner
- The Challenge Trophy – An Award of the National Retriever Club, to remain in the possession of the owner of the winner until the running of the National Championship Stake the following year
- The Challenge Trophy – An Award of the National Retriever Club to the handler of the winner, if a professional, to remain in the possession of the handler of the winner until the next winner of a National Championship Stake is handled by a professional. The handler also receives a replica of this trophy.

*In 1991, the PRTA adopted the following set of ethical guidelines for training during the National Championship. Our members pledge to abide by them and we ask all contestants to voluntarily join us in this effort to promote good sportsmanship and fair competition.*

## **Guidelines For Ethical Training at Nationals**

The object of the National is to bring out the best performance.

TO FURTHER THIS END:

1. As much training may be done each day as required **BEFORE** entering the trials grounds or **AFTER** running a test. **NO TRAINING** may be done after observing a test until after you have run.
2. Train with as many people as required, excluding any person who has been to the trial and observed the test in progress.
3. Train on designated areas or ask permission on private property.
4. Keep corrections away from the public eye and ear.
5. Dispose of birds in a manner that will not affect public perception, or disrupt another training group.

It is our belief that once a test is viewed, any training which follows will be tainted and distorted by the viewing. Whether training alone or with a group, the viewing of the test will be reflected in what is done and how it is done. This influence is inevitable. Even if only the mannerisms of the handlers are influenced the test will be reflected. It will be reflected in the number of retrieves and whether the retrieves are short or long. It will be reflected in whether the retrieves are across the ditch, along the ditch, up the hill or down the hill, into the wind, crosswind, or downwind. Whether they be marks or blinds, whether “pattern work” sets up a mark or a blind, short or long, the test will be reflected. It may be reflected in so little as voice tone.

Any training done before actual viewing of the test is guesswork. Any training done after viewing is unfair advantage. This advantage is true even if the test is carried into the next day. When a test is carried to the next day the competitors have had the advantage of observing (or training prior to arriving at the trial) all the previous day’s work. Often there is also the advantage of partial callbacks. Any “disadvantage” of running the following day is outweighed by the advantage of knowing what the other dogs have done. Training overnight is an unfair advantage to late competitors.

Rotation is the means of neutralizing the draw. By and large it does a good job. Dogs which run early in one test will run late in the next test. Sometimes running early is best, sometimes late is best. One thing for sure, once you’ve seen the test, any training done is not fair competition.

The future of our great sport depends upon the ethical guidelines which we place upon ourselves. In the final analysis we are only competing against ourselves. We’re only winning or losing according to how we conduct ourselves.

When training at any time, caution should be taken to keep the image of field trials at a high level. Ask permission to train on private grounds. Keep corrections away from the public eye and ear and dispose of birds properly.

The object of the National is to bring out the best performance. The best performance involves every aspect of preparation and every part of ourselves. *The winner is within.*
