(Sire: FC-AFC Code Blue ex Dam: FC-AFC Fishtrap Debbie Does Ducks)

I was lucky enough to get a pup from a breeding between FC-AFC Code Blue and FC-AFC Debbie Does Ducks that Ray Bly had done. At the time I was training with Brooke Van De Brake. He and Ray were very good friends and I was able to get a pup through Brooke. I say lucky because I didn't even know Ray at the time and also Ray did the picking of the pups for the new owners and I got Auggie.

At 6 months of age I took Auggie to Jim and Jackie Gonia to do his basics. His derby career was not spectacular, but he did get 26 points and he quickly won out of the Qualifying. In March of 2001 Auggie won his first Amateur and in June his first Open with me handling him. From then on it really got exciting until he was retired in 2009 with 220.5 Open points and 201 Amateur points for a total of 421.5 points, which puts him 3rd overall in the history of retriever trial dogs. Auggie was awarded 5 Purina High Point Awards. In one year Auggie won both the Purina Amateur and the Open Awards. He also won Five Double Headers. He was an incredible dog with tremendous heart. You knew when you went to the line you had a good chance to win with him by your side. He was also a great companion who loved to lie by the fire and enjoy his time off.

Some more of his accomplishments are:

Qualified for 7 National Opens...3 time finalist

Qualified for 9 National Amateurs...1 time finalist

Won an Open and Amateur at 2 years old.
