FC-AFC Jeep VI was born January 3, 1986 out of AFC Westwind Pedro and FC-AFC Itchin Gretchin. He arrived at the Mazzuckelli house as a 7 week old puppy and his training began. He started running field trials as a Derby Dog earning 17 derby points and finishing an Amateur at 17 months. Then it was on to All-Age training, becoming an Amateur Field Champion at 3 and a Field Champion at 5. At 6, he became a Double Header Winner running the entire Amateur along with the special water marks and blind on Sunday. Jeep ran trials until a career ending injury in the spring of 1996 at the age of 10. During that span, he had 214 All-Age starts and accumulated 159.5 All-Age points, and qualified for 12 Nationals.

Jeep became an exceptional water dog once he started running a few trials. He was intelligent with a tremendous amount of desire, courage, and style. He loved people and liked to play and managed to work his way into our house as our house dog.

Jeep was owned, trained and handled by Jon and Donna Mazzuckelli from Hanna City, IL.
