DOB: April 12, 1975

(Sire: '81 NAFC-FC Dude's Double Or Nothin' **ex Dam:** FC Super Joy Of Spring Oaks)

Snake Eyes was produced when Dr. B.W. Spring bred his FC bitch to Delma Hazard's National Amateur Champion. Unlike his father, Snake was not on the Derby list. He did qualify for 5 National Opens and 8 National Amateurs. In 1980 and 1984 he was a Finalist in those year's National Amateur contests. He accumulated 50.5 Open points and 61 Amateur points.

His record as a sire shows 23 titled and over 40 QAA dogs in the AKC and Canada. Among the titled and Qualified All-Age dogs were three High Point Derby dogs and the highest chocolate Derby dog in AKC points. Most notable among the titled dogs were 1989 NAFTCH-CFC-FC-AFC Aces High III and 1992 NAFC-FC Gusto's Last Control. His demand as a stud dog was based on the quality of dogs produced and that he had a gene for chocolate.
